

YUBATH

SANITARY WARE

With products that showcase accomplished elegance and superlative quality, we, Yubath Ceramics, started our endless journey in the year 1962. Dimensional accuracy, self-designed internal fittings and heavy duty color plating are the traits of our products which make them unique in the national as well as in the international market. We are one of the largest manufacturers and exporters of Ceramic Sanitary ware, Shower Trays and Ceramic toilet set. All the products manufactured by us are competitively priced and showcase luxury, style and elegance. Our impeccable quality products are the result of several hours of diligent labor and our desire to give superlative quality products to our customers. Today, our products witness their presence in almost every sphere of the globe and we are a regular exporter to Pakistan. Always abreast with the current scenario, we bring with us a dedicated workforce whose aggregated skills and experience ensure the customers of reliable and contemporary leading products.
